NIST Metrics for MAchine TRanslation 2010 Challenge (MetricsMATR10)
Registration Form

To participate in the 2010 NIST Metrics for Machine TRanslation Challenge (MetricMATR10), this registration form must be filled out in its entirety and returned no later than the registration deadline of **Mach 26 2010** to:

(*e-mail*)   mt_poc@nist.gov   *or*   (*fax*)   NIST
                                                                        Attn: NIST Open MT PoC
                                                                        Fax +1 (301) 670-0939

MetricsMATR10 terms of participation:

- Between March 26 2010 and May 14 2010, the registered site will submit at least one machine translation metric to NIST. The metric(s) must be fully operational at NIST by 5 pm EDT on **May 14 2010**.
- The participant understands that the evaluation data used to evaluate the effectiveness of the submitted metrics is not distributed to participants; it remains at NIST.
- The right to data received under LDC's MetricsMATR10 license agreement is contingent on full participation in MetricMATR10 as outlined in the MetricsMATR10 evaluation plan (http://www.nist.gov/itl/iad/mig/NISTMetricsMATR10EvalPlan.pdf). Failure to comply will result in immediate loss of rights to data obtained under the LDC MetricsMATR10 license agreement.

NIST serves to coordinate the MetricsMATR Challenges. These tests are designed for implementation at NIST; sites submit metrics to NIST that NIST installs and runs on the evaluation data.

The reported results are not to be construed, or represented, as endorsement of any participant's system, or as official findings on the part of NIST or the U.S. Government.
